We warmly invite you and your family to join us for the 6th Annual 2Twenty Club Walkathon, benefiting our Weekend Backpack Food Program.

The 2Twenty Club is a nonprofit organization dedicated to sharing two hours of volunteer service and \$20 each month with children and families in need. For the past 19 years, our approximately 420 members and supporters have generously shared their time and resources to help build a stronger and more caring community.

Weekend Backpack Food Program

Our Weekend Backpack Food Program helps ensure that students in need have nutritious food to take home when school is not in session. Each package contains 11 items, including breakfast, lunch, dinner, beverages, and snacks for Saturdays and Sundays.

Every month, our volunteers pack and deliver approximately 600 food packages and snacks to students at 11 elementary schools and one middle school: Annandale Terrace, Bailey's Upper, Bailey's Primary, Braddock, Bren Mar Park, Forestdale, Hybla Valley, London Towne, Lynbrook, Pine Spring, and Woodburn Elementary Schools, as well as Poe Middle School.

6th Annual Walkathon

Since 2021, our annual Walk-a-Thon has brought families and community members together to support children and families in need. Last year, more than 250 participants helped raise approximately \$35,000. We hope to welcome about 350 participants again this year.

The two-mile trail walk will begin with check-in at 8:30 a.m. at Shelter A, Burke Lake Park, 7315 Ox Road, Fairfax Station, VA 22039. Our members and volunteers will lead the walk.

We invite you to join us as a sponsor, supporter, participant, or volunteer. Every contribution helps provide nutritious food to children and lets them know that their community cares.

For more information, please contact us at 703-851-3225 or smoon@2twentyclub.org. To help us recognize and promote your support, we would appreciate knowing about your contribution by August 31st.

Thank you for helping us spread love to others. We look forward to walking together and making a meaningful difference in the lives of children and families in our community.
